Report on

Apprenticeship Programme on “Induced Breeding Techniques in Fishes”

Conducted by the Post Graduate Department of Zoology, Acharya Brojendra Nath Seal College, Cooch Behar

on 01. 06. 2023

An Apprenticeship programme was conducted by the Post Graduate Department of Zoology on “Induced Breeding Techniques in Fishes” for 13 (Thirteen) UG 6th Semester Honours students (Other than Zoology Honours students) of Acharya Brojendra Nath Seal College in the Fishery Unit, Uttar Banga Krishi Viswavidyalaya from 12.00 Noon onwards on 01. 06. 2023. This programme was held under the guidance of honourable Resource person, Dr. (Mrs.) Debapriya Sarkar, Professor in Fishery, Fishery Unit, UBKV, Pundibari, Cooch Behar.

The objective of the programme was to encourage the students to develop their skill on Fish Breeding Techniques and entrepreneurship development after passing out. This programme might help the students to learn a means of self employment and income generation.

The total duration of the course was of 8 hours (6 hours practical + 2 hours home assignments).

It was said by the students that the programme was no doubt very encouraging and successful one.

The group of students was escorted by Sri Anirban Pandey, Assistant Professor, Post Graduate Department of Zoology, Acharya Brojendra Nath Seal College, Cooch Behar.
