

PROJECT WORK REPORT
Education Honors, Semester: IV
Paper: SEC-2C

Paper Name: Community Outreach, Activity and Education

The Education Honors Semester 4th students have to learn about **Community Outreach, Activity and Education** in Education in SEC-2 Paper. This is a Project Work where the students learn about various kinds of Outreach Activities and thus learn to become sensitized about various issues in society.

The Department of Education of A.B.N. Seal College is no exception to this. This experience of this course will enable learners to-

- Get an idea about the community and its developmental process
- Learn to study the community and understand the importance of the study
- Understand the meaning of community outreach activity
- Organize community outreach activity in society.

For the above objectives as well as for the need of fulfillment of the syllabus under the CoochBehar Panchanan Barma University (Paper Core Course – SEC 2C under UG-CBCS Syllabus), the Outreach Activity was organized at N.E.L.C School for the Blind, Airport Road, Coochbehar, West Bengal, 736101 on 17.05.2023. The students were accompanied by Sri Deepak Biswas, Guest Teacher, Department of Education, ABN Seal College, Coochbehar who supervised the students in the preparation of the Final Report.

For the Session 2022-2023, the 4th Semester Education Honors Students prepared a Project Report entitled: “School Observation Report”. Since this paper is compulsory, hence all the 4th Semester students (42 in number) prepared the mentioned Project Report and submitted it on 23.06.2023.

List of the Students participated in the Project Work in 2022-2023

1.	ARNAB BHOWAL	M-029
2.	ATITHI CHOWDHURY	F-048
